

The Cadet Program is the junior corps of the Civil Air Patrol, with more offerings than a Junior Reserve Officer Training Corps. The CAP Cadet Corps participate in hands on Leadership training, [Aerospace Education](#) which includes five powered airplane and five glider flights sorties, and training in [Emergency Services](#) where cadets participate in actual real-life Air Force missions saving people and property. Finally, the CAP Cadet Corps proudly provides roughly 8 percent of every new class entering the USAF Academy.
